When leave is requested by more than one employee for the same time period, the request received first shall be given first consideration. Once leave has been approved, the approval will not be rescinded unless there is a bona fide emergency.
- D. When an employee who has at least six months of bargaining unit employment leaves the employment of the District, s/he shall be paid for up to 240 hours of unused, accumulated annual leave at the employee's current base rate of pay. Employees who are terminated for cause shall not be eligible for payoff of unused annual accrual. If any employee dies and was entitled to payment for accumulated annual leave under the provisions of this Agreement, the heirs of such employee who are given priority to succeed to that employee's assets under the laws of the intestate succession of this state, or the executor or administrator of that employee's estate, upon submission of satisfactory proof to the District Board of their entitlement, shall be paid such amount.

4. When an employee is not working because of illness or injury and has exhausted his/her sick leave, s/he may, at the discretion of the District Manager or designee be permitted to use his/her annual leave for medically necessary absence.
5. Annual leave balance will be provided on a biweekly basis separate from employee's paycheck.

ARTICLE 14. SICK LEAVE

- A. *Sick Leave Computed:* Employees shall earn 0.0577 hours of sick leave with pay for each regularly scheduled hour in paid status, not to exceed 120 hours of sick leave in any twelve (12) month period. Unused sick leave shall be accumulated from year to year.
- B. *Use of Sick Leave:* Such sick leave with pay will only be granted upon approval of the District Manager or designee in case of bona fide illness of an employee, or a member of his/her *immediate family*. For purposes of this Article only immediate family is defined as a husband, wife, child, parent (regardless of where that relative lives), or other relative residing in the employee's household. For the purpose of this Article, bona fide illness shall include the use of sick leave to care for a newborn of an employee. Sick leave may be used for medical and dental appointments or care. Evidence that use of sick leave was necessary in the form of a physician's certificate may be required by the District in any case for use of sick leave for three (3) or more consecutive days. Employees shall use sick leave in one-half (1/2) hour increments.

When the District identifies a pattern of sick leave use which indicates possible abuse of sick leave, the District may require a doctor's certificate indicating the absence is medically necessary. The certificate requirement shall apply to future absences which may be consistent with the suspected pattern of abuse. The employee shall be given written notice of the suspected pattern of abuse and the requirement for doctor's certification for future absences.

- C. *Accrual of Benefits:* Sick leave shall accrue from the start of employment.
- D. *Duty To Notify:* In the event that an employee is aware in advance that sick leave benefits will be needed, employee shall notify the District Manager in writing as far in advance as possible of the anticipated time and duration of such sick leave and provide medical certification that he/she will be unable to perform his/her normal work function for the period of absence. An employee will be required to begin using sick leave on the date after which the doctor certifies that he/she is unable to perform his/her normal duties. An employee on sick leave is required to notify the District Manager at the earliest possible time of the anticipated date on which the employee will be able to resume his/her normal duties. The District may require a certificate from the physician of the District's choosing that an employee on sick leave is medically unable to perform the essential job functions of his/her position and the District may require such medical certification from time to time until the employee returns to his/her normal duties. In the event that an employee on sick leave fails to return to work as soon as he/she is medically able to perform his/her assigned duties, he/she may be deemed to have resigned his/her position with the District and to have waived all employment rights. Sick leave benefits under this provision shall be paid to the employee on sick leave only for the actual workdays missed due to medical inability to perform normal duties.
- E. *Unpaid Leave:* In the event that an employee exhausts his/her accumulated sick leave and is not medically able to resume his/her normal duties, he/she may request an unpaid leave of

absence for a period not to exceed six (6) months pursuant to Article 15 of this Agreement, Leave of Absence. Thereafter, the District Board may consider and may renew such unpaid leave of absence at its sole discretion if the employee requests in writing that the District Board renew such unpaid leave and can show that he/she will be able to resume his/her normal duties within an additional six (6) months.

- F. *Failure to Give Prior Notice:* Except in cases of emergency, if an employee fails to give advance notice when sick leave is needed, payroll deduction for the time taken will result. An employee will be considered to have given appropriate advance notice if he/she notifies his/her supervisor of the need to be absent from work before the beginning of his/her regular work shift, or if there is no practical way of giving such notice, within ten (10) minutes of the beginning of the work shift. In the case of unanticipated serious illness or injury, notice may be given as soon as reasonably practical.
- G. Sick leave balance will be provided on a biweekly basis separate from the employee's paycheck.

ARTICLE 15. LEAVE OF ABSENCE

- A. The District Board may grant a leave of absence without pay to any appointed employee upon request. The District Manager may grant a leave of absence to an employee for a period not to exceed one month. A leave of absence initially granted by the District Manager may be extended for a period not to exceed a total of six (6) months with the concurrence of the District Board. The anniversary date of any employee on leave of absence without pay for more than fourteen (14) consecutive calendar days shall be adjusted by the number of days of leave of absence.
- B. The employee desiring a leave of absence shall first make application in writing to the District Manager for such leave. Sick leave and/or vacation leave must be used prior to an employee's going on leave of absence without pay.
- C. No unpaid leave will be approved to permit an employee to engage in other gainful occupation except when the District Board determines such leave of absence is in the best interest of the District. If it is found that the employee has accepted unauthorized employment during a leave of absence or the employee has engaged in other unauthorized gainful occupation of any kind, then the employee's employment with the District may be terminated.
- D. No time granted to an employee as a leave of absence without pay pursuant to this section shall count as or be considered as service time for the purposes of computing any benefits of employment.

ARTICLE 16. JURY DUTY AND SUBPOENAED WITNESS LEAVE

No deduction shall be made in the salary of an employee who serves on a jury or is subpoenaed to testify in a judicial or quasi-judicial proceeding as a material or expert witness if s/he remits to the District any fee received provided such appearance is not as a result of actions of the employee outside of the scope of his/her employment and is not part of a legal action initiated by the employee. If the employee chooses to retain the fees, s/he will be charged vacation time or be placed on a leave without pay status for the time spent serving. If the employee incurs personal mileage expenses while serving, said employee may retain that portion of the fee attributable to mileage and remit the difference to the District. Employees subpoenaed to appear pursuant to an official subpoena shall immediately notify the District Manager or designee in writing whether or not they shall remit any witness fee to the District and, if not, their leave status while serving. In addition, employees served with subpoenas which may relate to their employment with the District shall notify the District Manager's office immediately upon being served.

ARTICLE 18. BEREAVEMENT LEAVE

If approved by the District Manager, in addition to the three (3) days of bereavement leave, an employee may use up to twenty-four (24) hours (3 days) of sick leave for each death. Immediate family for the purpose of this section shall be limited to relatives within the third degree of consanguinity or affinity and to persons standing in parentis locus

ARTICLE 19. HEALTH AND WELFARE

The District shall contribute the same amount as contributed by Churchill County for its employees toward the monthly premium for the employee only coverage under the group health insurance and life insurance plans during the term of this Agreement. The group health insurance plan shall include medical, dental, and vision benefits. The Union acknowledges that the group health and life insurance plans provided pursuant to this Agreement may be changed by the Board of Churchill County Commissioners from time to time at its discretion and without the District entering into further bargaining with the Union.

ARTICLE 20. RETIREMENT

All employees covered by this Agreement shall participate in the Public Employees' Retirement System (PERS) of the state of Nevada in accordance with the rules of that system as set forth in NRS Chapter 286 *et seq.* Any increases or decreases in the contribution rate required pursuant to NRS Chapter 286 shall be divided equally between the employee and the District according to the provisions of NRS Chapter 286.

ARTICLE 21. SAFETY AND HEALTH

2. Always using personal safety equipment provided.
3. Report all dangerous conditions and if the unsafe conditions are occurring in employee work, follow all District safety procedures and await instruction from District Manager or designee before proceeding.

8. Watching the bulletin board for safety notices.
9. Reporting to work fit and ready for duty.

ARTICLE 22. BUSINESS EXPENSES

When employees are required to travel on official business by written direction of the District Manager, the District will pay reasonable amounts for transportation, meals, and lodging as provided in this Article.

- A. Employees will be reimbursed for reasonable and necessary travel expenses when authorized and directly related to the performance of their assigned duties. The District will not reimburse or otherwise pay any expense that violates commonly accepted standards of sound judgment and good taste. All claims with required receipts for travel expenses are to be submitted to the District Manager for approval within five (5) working days following a trip.
- B. Mileage: If available, the employee must use a District provided vehicle. If no District provided vehicle is available and an employee uses a personal vehicle, mileage will be reimbursed at the per mile rate set by IRS Publication 463.
- C. Lodging: Moderate cost lodging should be arranged at the meeting/training site, when possible. Reimbursement will be based on the cost of a single room, plus tax, if available. The actual cost of lodging will be reimbursed and a receipt must be submitted.
- D. Meals: The actual cost of meals while traveling overnight will be reimbursed upon presentation of a valid receipt, not to exceed \$49.00 per day.
- E. Other Expenses: Telephone calls necessary for District business while at the travel destination, parking charges, and/or ground transportation will be reimbursed. Travel advances may be granted if requested and approved by the District Manager.

There is no pay for travel time that occurs outside of the employees regular scheduled work day. Employees will not be scheduled to work on return to District on a day when out of District training is conducted except for additional in District training at the District's option.

ARTICLE 23. SENIORITY, LAYOFF & RECALL

- A. For purposes of this Article, seniority is defined as the full-time equivalency of the length of continuous service from the employee's last date of hire to a position covered by this collective bargaining agreement. An employee's continuous service record (seniority) shall be broken when the employee accepts a regular appointment to a position outside of the bargaining unit, voluntarily resigns, is discharged, or retires. Except as otherwise required by state or federal regulations, the seniority of any employee taking a leave of absence of more than thirty (30) calendar days in any single year will be reduced by the amount of unpaid leave taken.
- B. If the District determines that it is necessary to reduce the work force, employees shall be selected for layoff based on qualifications and seniority. If the District determines that it would no longer have sufficient personnel with the qualifications required to perform essential District functions by laying off the employee with the least seniority, it may consider the qualifications of the employees in the following manner:

If an employee(s) with the least seniority has qualifications to perform an essential District function and the employee(s) next in seniority order does not have the required qualifications to perform the essential function and either

1. both employees have been offered the training necessary to acquire the necessary qualifications to perform the function, OR
2. the employee with the lesser seniority possessed the necessary qualifications when hired,

The District may lay off the employee having greater seniority and lacking the qualifications needed by the District and retain the employee with less seniority.

- C. If the District Manager determines that an employee will be laid off out of seniority order, the District Manager will notify the Union at the same time s/he notifies the employee that s/he will be laid off. The notice to the Union shall identify the qualifications needed by the District, which it would lose by laying off the least senior employee.
- D. If the Union disagrees with the determination of the District Manager, it may request a meeting with the District Manager to review the basis of the District Manager's decision and to present information and arguments to support its position with regard to the matter. The request for review must be filed with the District Manager not later than five (5) calendar days before the layoff will be effective. The District Manager and the Union will schedule a meeting at the earliest possible date to review the matter. If the matter is not resolved during the meeting, the Union may have the dispute submitted to Expedited Mediation/Arbitration as provided below.
- E. Expedited Mediation/Arbitration
1. The parties agree to timely establish a panel of three (3) mediator/arbiters to hear and resolve disputes regarding layoffs pursuant to this Article that are not in seniority order. If the two parties cannot agree on a panel, then a list of eleven (11) names shall be obtained from the Federal Mediation and Conciliation Service. The parties shall alternately strike names until three (3) remain. Each person selected for the panel shall serve in turn for a single

dispute. If the panel member is unavailable for a particular dispute, the next listed person will serve. The mediator/arbiters shall thus serve in rotation.

2. Each party may unilaterally remove a mediator/arbiter at any time as long as there is no dispute pending at the time. Mediator/Arbiter panel vacancies shall be filled as in the above paragraph.

3. The panel member assigned to a dispute shall meet without delay with the parties and attempt to mediate/conciliate the dispute. If an agreement is reached, it shall be reduced to writing, shall be signed by each of the above parties, and shall be final and binding.

4. If, after a concerted effort, a single mediation meeting does not produce a settlement, the mediator/arbiter shall immediately convene an informal arbitration hearing. Witnesses, evidence, and exhibits shall be kept to a minimum and the rules of evidence shall not apply.

5. The mediator/arbiter shall provide, on the date of the hearing, a "bench award" as a binding settlement of the dispute.

6. The mediator/arbiter shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue presented; and shall confine his/her decision solely to the interpretation, application, or enforcement of this Article. The mediator/arbiter shall confine himself/herself to the precise issue submitted for arbitration, and shall have no authority to determine any other issues not so submitted to him/her. The decision of the mediator/arbiter shall be final and binding upon the aggrieved employee, the Union, and the District.

- F. Nothing herein shall prohibit the District from accepting an employee's voluntary offer to accept layoff in lieu of the District laying off a less senior employee.
- G. Probationary employees shall be laid off before any regular employees.
- H. Employees to be laid off shall be given written notice of such layoff at least ten (10) working days prior to the effective date of the layoff. Except as provided above, the employee shall be responsible for providing a copy of the notice to the Union.
- I. The names of employees laid off shall be placed on the reemployment list. Employees shall be recalled from layoff in the reverse order of their layoffs. The District will notify all laid-off employees of all job vacancies for one (1) year from the date of layoff.
- J. Employees who are reemployed within one (1) calendar year after they are laid off will be entitled to the reinstatement of accrued and unused sick leave that was not paid off at the time of their layoff.
- K. If the District implements a temporary unpaid layoff affected bargaining employees may elect to have the District pay his/her health insurance premium under Article 19 for the period of the temporary layoff. Affected bargaining unit employees will be noticed of the temporary layoff at least 10 working days before the effective date of the temporary layoff.

- B. A representative chosen by the employee may, at the employee's request, accompany the employee in this review.
- C. All material in the file must be dated and signed by the source of the material. The employee will be provided with a copy of items placed in his/her personnel file. Any material will be initialed by the employee before placing in the file. If the employee refuses, the District will notify the employee and the Union that the material will be placed in the employee's file. Within thirty (30) days of receipt of the copy of the documentation, the employee has a right to have a written response to the documents placed in his/her file. Employee's working day shift can make arrangements with the Manager to view their files at reasonable hours before or after their regularly scheduled shift.
- D. An employee will, upon written request to the District Manager, receive copies of all materials in his/her personnel file limited to once per year.
- E. Commendations shall be placed in the personnel files and a copy provided to the employee.
- F. Sealing of Reprimands
 - 1. An employee who has received a written reprimand or had written documentation of verbal reprimand placed in his/her file may make a written request to the District to have the documentation placed in a sealed envelope within his/her personnel file when there have been no other disciplinary actions against the employee within twenty-four (24) months of said reprimand.
 - 2. An employee shall not be entitled to have the written reprimand placed in a sealed envelope within his/her personnel file if they do not meet the District's expected standards, have subsequent disciplinary action during the applicable retention period, and/or if the disciplinary action was taken because the employee's conduct is considered a violation of law, breach of ethics, workplace violence, and/or illegal harassment.
 - 3. A written reprimand placed in a sealed envelope, together with any related materials included in the employee's personnel file, shall have no further effect provided, however, that said written reprimand may be reopened and used in any subsequent major discipline proceeding against the employee or in any litigation arising out of the events giving rise to the written reprimand or in any litigation regarding the actions or conduct of the employee during his/her employment by the District.
